COMPANY PROFILE

A close-up, blue-tinted image of a microchip or circuit board. The letters 'ERP' are prominently displayed in white on the surface of the chip. The background is dark and blurred, showing other components of the circuit.

ABOUT US

Futurecareer Solutions Pvt. Ltd. (FCS) is a leading provider of Consulting, Technology, and Staffing services, headquartered in Bhubaneswar. We specialize in delivering comprehensive solutions that combine client satisfaction, technological innovation, and deep industry expertise. As a new-age enterprise technology consulting firm, FCS is dedicated to bringing the Real-Time Enterprise to life through SAP implementation and a wide range of software solutions, including mobile apps, web development & design, distributed systems, and desktop applications. Our commitment to Economic Cost, Quality, Commitment, and Quick response defines our unique selling proposition.

Core Values

Our core values of honesty, integrity, and commitment to excellence guide our operations. We are dedicated to providing services that offer guaranteed cost savings while maintaining the highest quality standards. Our flexibility with partners and clients allows us to adapt to the ever-changing global economic landscape.

Mission

To deliver comprehensive consulting, technology, and staffing services with a passion for client satisfaction and innovation. We aim to be a one-stop solution for SAP and other technology needs, helping our clients achieve their business objectives efficiently and effectively.

Vision

To be a global leader in technology consulting, delivering innovative, cost-effective solutions that empower businesses in the digital age, with a focus on SAP expertise and integrity.

Futurecareer Solutions Pvt. Ltd. (FCS) is committed to driving digital transformation and enabling businesses to thrive in a rapidly evolving environment. With a strong foundation in SAP and cutting-edge technologies, we are dedicated to delivering exceptional value to our clients, ensuring their success in the global marketplace.

OUR SERVICES

At FCS, we work towards a set of KPIs defined in advance, aligned with industry best practices. Our wide portfolio of services makes us a one-stop shop for clients, regardless of their stage in the SAP journey. Our consultants leverage a range of tools and templates to initiate engagements quickly, delivering measurable results from day one.

SAP Solutions: We offer a full suite of SAP-related services, from defining KPI-driven objectives to implementation and review. Our services extend to assisting clients in realizing the benefits of SAP and supporting their journey towards S4 HANA. Our robust SAP AMS practice, backed by experienced professionals, ensures comprehensive support and maintenance.

Enterprise Technology: FCS provides cutting-edge technology solutions across various platforms, including mobile, web, and desktop. Our expertise in modern technologies enables us to deliver scalable and efficient solutions tailored to the unique needs of each client.

Consulting & Staffing: Our consultants bring years of experience across multiple industries, allowing us to adopt a focused and industry-centric approach. We offer staffing solutions that align with industry best practices, ensuring that our clients have access to top-tier talent.

WHY FCS?

- SAP Silver Partner with offices in Bhubaneswar and Kolkata.
- Over 15+ years of operation, serving more than 10+ domestic customers across India.
